Dear Dr. Sommers:

The Fifth International Workshop on Papillomaviruses will be held on September 3-7, 1986 at Cold Spring Harbor Laboratory. Drs. Lorne Taichman, Janet Brandsma and I are the organizers of that conference. I am writing to you to request support for the conference from the Council for Tobacco Research. Our budget for the meeting is $77,875. This would cover the travel and registration expenses for the 21 invited speakers, and defray part of the registration costs for others attending. This is especially important for students and young scientists.

We would appreciate any assistance you can give us.

Yours truly,

Bettie M. Steinberg
